PROFILE

As an ambitious student pursuing a degree in Computer Science with a passion for innovation and problem-solving, I've successfully completed several notable projects during my academic journey. My dedication to learning and staying updated with emerging technologies has allowed me to consistently deliver high-quality projects within strict deadlines.

WORK EXPERIENCE

Student   2021-CRRENT
CSE, KUET
- Elevated my CSE academic journey by spearheading a groundbreaking project, seamlessly integrating cutting-edge technologies to create a solution that not only met academic standards but also surpassed industry expectations, setting a new benchmark for innovation in computer science.

INTEREST

- Eager to dive into the realm of machine learning, I am fueled by a passion for unraveling the complexities of artificial intelligence. Enthusiastically seeking opportunities to further my understanding and practical experience in these domains, I am driven to contribute innovative solutions and push the boundaries of what's possible in the ever-evolving field of computer science. My goal is to not only grasp the theoretical foundations but also actively engage in hands-on projects that leverage machine learning to solve real-world challenges, making a tangible impact in the exciting landscape of artificial intelligence.
